

Official Invitation Letter from PCMM2018

About PCMM2018

Welcome to 2018 International Conference on Physics, Computing and Mathematical Modeling (PCMM2018), which will be held on **April 15-16, 2018, Shanghai, China**. This Conference will cover issues on Physics, Computing and Mathematical Modeling. It dedicates to creating a stage for exchanging the latest research results and sharing the advanced research methods. PCMM2018 will be a valuable and important platform for inspiring international and interdisciplinary exchange at the forefront of Physics, Computing and Mathematical Modeling. The Conference will bring together academicians, scientists, engineers, and technicians from all over the world, and we hope that you will take this opportunity to join us for academic exchange and visit the city of Shanghai.

Publication

All the PCMM2018 accepted papers will be published in the **Journal DEStech Transactions on Engineering and Technology Research** with ISSN: 2475-885X, ISBN and DOI for all papers. The press will submit all papers to be indexed in [EI Compendex \(Elsevier Engineering Village Index\)](#), [Scopus](#), [Thomson Reuters Conference Proceedings Citation Index \(ISI\)](#), [INSPEC](#), [DBLP](#) and [CNKI Scholar](#) online available in full text via the press platform.

Excellent papers will be selected and published on SCI and EI journals.
